PROFILE

At 25, I am a dynamic and dedicated IT professional, holding a BSc (Hons) in Computer Networking from the University of Wolverhampton, where I graduated with a 2nd Class Upper Division. My academic journey has equipped me with a deep understanding and proficiency in various technological domains.

Looking forward, my aspiration is to evolve into a seasoned DevOps Engineer. I am passionately gathering all the necessary knowledge and experience to transition into this role. This journey is not just about acquiring skills but also about embracing a mindset that synergizes development and operations, aiming for streamlined, efficient, and innovative IT solutions.
